2014 MAJOR CHANGES - UPDATED

IMPORTANT UPDATE:

Starting in 2014 ALL athletes Cadet, Junior, Senior, Ultra Poomsae (10-11 Poomsae athletes are not required) and officials (coaches, manager and heads of team and medical) will be **REQUIRED** have either a Global Athlete (GAL) or Global Official (GOL) License to participate at the 2014 U.S Open Taekwondo Championships.

Participants must apply for a WTF License one (1) month before the start date (February 19) to avoid being denied registration. This period will give the MNA administrators enough time to successfully get approval of the license through the WTF. Licenses will not be approved until payment is confirmed with the WTF, so participants will need to apply with plenty of time for successful approval. US Athletes and Officials must submit the Global License form (electronically). See Global License form and information. All other countries must submit their Global License through their MNA.

Participants will be required to present proof of an approved WTF Global License to receive your event credential and to participate.

WTF Rule and Age Divisions Changes

As of Dec. 26, 2012, the WTF has made changes to their age classification. Those changes are as follows:

SPARRING

- Juniors = 15-17 years old
- Seniors = 17+ years old (anyone 17 and older can compete in the Senior division)
- Cadets = 12-14 years old

We will NOT have Youth or Ultra sparring competition at the 2014 U.S. Open. Youth and Ultra competitors in Poomsae will still be allowed to participate. The reason for not including the Youth and Ultra sparring competitions is due to the expected increase in the number of Senior sparring competitors who will be competing in an effort to gain WTF Ranking points. In order to anticipate the increase in participation and also in trying to be proactive in an attempt to keep the daily competition hours down as much as possible. Should it prove to be that there will not be a noticeable increase in the competition hours, the Youth and Ultra Sparring divisions may return in 2015.

POOMSAE

- Junior = 15-17 years old (Individual, Co-Ed Pairs, Team)
- 1st Senior = 18-29 years old
- 1st Co-Ed Pairs = 18-29 years old
- Cadet = 12-14 years old (Individual, Co-Ed Pairs, Team)

***USA Taekwondo will follow the new WTF Poomsae Divisions.**

2014 U.S. Open Schedule

The 2014 U.S. Open Taekwondo Championships will be a five-day event in 2014 with the Championships taking place Wednesday, Feb. 19 – Sunday, Feb. 23. The following days will comprise the 2014 U.S. Open Taekwondo Championships with **ALL POOMSAE** divisions, Senior (17+) sparring (Female and Male Middle & Heavy categories) taking place on Wednesday, Feb. 19; Senior (17+) sparring (Female and Male Fly, Feather, & Light) divisions on Thursday, Feb. 20; Senior (17+) sparring (Female and Male Fin, Bantam, & Welter) divisions and Junior (15-17) sparring (Light Heavy & Heavy) division on Friday, Feb. 21; Junior (15-17) sparring (Female and Male Fin, Fly, Bantam, Feather, Light, Welter, Light Middle, & Middle) divisions on Saturday, Feb. 22; all Cadet (12-14) sparring divisions Sunday, Feb. 23.

In 2014, U.S. Open registration will consist of an “Early” registration price and a “Registration” price. Those competitors taking advantage of the “Early” registration period will save. Please check the Pre-Event Manual for the registration timeline. Those who do not pay the “early” fee by the corresponding deadline will automatically pay the registration price.

Athletic Trainers & Taping of Athletes – Continued from 2012

Event Athletic Trainers will not be responsible for taping athletes’ ankles or instep pads. The Athletic Trainers are there to cover the event and this is where their responsibilities need to be. The Athletic Trainers are contracted for injury assessment and care during the event. Please remember when taping ankles or instep pads competitors must comply with the rules set forth by the WTF and USAT.

Daedo-Truescore

Daedo-Truescore will be the official provider of the EBP (Electronic Body Protector) for the U.S. Open Taekwondo Championships. USA Taekwondo and Daedo-Truescore will provide the hogus to all athletes prior to each sparring match and will be obtained at the equipment area. These hogus must be returned immediately to the equipment area after the completion of their match.

All athletes are responsible for purchasing their own scoring foot gear prior to arriving in Las Vegas. It is best if athletes purchase their scoring foot gear at the following link well before the event.

<http://truescore116.corecommerce.com/E-Sparring-Equipment/E-Foot-Gear-p24.html>

Equipment

All participants must provide their own red, blue or white headgear with no markings other than corporate logos. Cracks or defects in the headgear will not be allowed.

The ALL athletes must have RED or BLUE head gear ONLY. No white HEADGEAR can be worn in these divisions. This is due to the WTF sanction and rules.

All male athletes are REQUIRED to wear a protective cup **inside** the pants during competition. **All female athletes are REQUIRED to wear a protective cup as well.** This is because of the WTF sanction and rules.

IMPORTANT UPDATE:

Starting in 2014 ALL athletes Cadet, Junior, Senior, Ultra Poomsae (10-11 Poomsae athletes are not required) and officials (coaches, manager and heads of team and medical) will be **REQUIRED** have either a Global Athlete (GAL) or Global Official (GOL) License to participate at the 2014 U.S Open Taekwondo Championships.

Participants must apply for a WTF License one (1) month before the start date (February 19) to avoid being denied registration. US Athletes and Officials must submit the Global License form (electronically). See Global License form and information. All other countries must submit their Global License through their MNA.

Participants will be required to present proof of an approved WTF Global License to receive your event credential and to participate.
